

Happy
Holidays!

INSTRUCTIONS FOR PARENTS

Holidays are time when you can connect with your child in many ways. As parents are the first teacher for a child, we can encourage our child to participate in many educational activities at home and promote his/her quest to learn. Working together will not only help your child to build, learn and develop his/her skills but also strengthen your bond with him/her.

- Make your ward read interesting English story books.
- Make your ward learn and remember his/her parents mobile numbers, house address etc, to make him/her independent and secure.
- Fix up a time table for your ward to organize his/her daily routine like, watching television, playing with friends, studying etc.
- We are giving a variety of fun-filled activities and worksheets which you can do during the noon time. Do them neatly and submit the worksheets in beautifully decorated folders to your teachers after the vacation.
- Revise periodic-1 syllabus for exams.
- Each subject is having 2 worksheets each

Wishing you an enjoyable and fun-packed summer break.
